COUNTERFEIT CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky.

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and pur chasers of this celebrated brand, that there has appeared in chasers of this celebrated transit, that there has appeared to the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, brandel similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfet brand, and found that it contains a deadly poison: this fact alone impossme to can-tion the public, protest those who are liable to be sessived, and prevent the evil results attenting the use of this poisonous imitation. I lso hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and forn, and is warranted free from any deleterious or obness ous compound, it being a pure and healthy beverage. Many parties have recently commenced making a bran-f Whisky Called Magnola, but they are an immitation of my trade brand, so be careful a d get the only gynuine dagnolla Whisky made in the United States, and distilled only by me.
